Declaration
I would like St John the Baptist Church, Westbourne to treat as Gift Aid all those donations which I have made to the church since 6 April 2000 and donations that I make from the date of this declaration until I notify otherwise.

I want the Church to reclaim tax on these donations and I note that I should tell the Gift Aid secretary if in any tax year I expect to pay an amount of UK tax that is less than the tax deducted from my donation(s).

Notes: Please:

- Make your donations either by standing order (form available in church or from the Gift Aid secretary), by using the envelope scheme or by cheque – so that the donation can be verified.
- Be sure to include your full names and postcode
- Inform the Gift Aid secretary of any change of address
- Return your completed Gift Aid declaration to the Gift Aid secretary,

Please tick either or both of these

☐ I should like to join the envelope scheme. [1]

☐ I should like to make a standing order from my bank.

[1] The envelope scheme provides you with a set of numbered envelopes, one for each week, through which you place your regular donation in the collection plate. This may be used alone, or in conjunction with a bank standing order, to ensure all your cash donations carry the Gift Aid tax bonus. You will be sent a statement at the end of each tax year.
